Join SHC in ending childhood sexual abuse!_Survivors Healing Center (SHC) is a nonprofit organization serving survivors of childhood sexual abuse. SHC's primary goals are to empower those victimized by sexual abuse through a healing process and to prevent sexual abuse of children and youth in our community._SHC is now forming new ongoing twelve-week, closed intensive therapy group sessions for girls (ages 14-18 years old) and adult women, men, gay, lesbian, bisexual, transgender and Latina survivors of childhood sexual abuse._Therapy groups provide a safe and supportive healing environment for exploring issues of child sexual abuse. Goals of the group are breaking isolation, developing healthy coping skills, reducing shame, increasing self-esteem, and building healthy boundaries. Healing is facilitated using emotional release work, meditation, imagery, writing and group discussions. Groups are formed of 6-7 individuals._You are not alone and you are not to blame._We are located at 2300 Mission Street, C-1. Please Call Now!
